RE: Data Correction

I am writing this letter requesting to make a correction of my date of birth on my passport. The correct date of birth is **July 24 1960**. An error was made when I first obtained my birth certificate which bears the wrong date of birth. I was able to obtain a corrected copy when I went home in 2004.

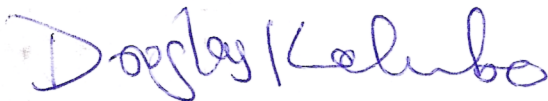

I have enclosed my original copy of my birth certificate which shows I was born Zambia on July 24 1960. I need to correct this data because I am having problems having proper diagnostic tests done when I go to the doctors' office due to the wrong date of birth.

Please find enclosed;

1. Current passport
2. Confirmation of birth certificate with correct date by the Lusaka City Council
3. Birth certificate with wrong date

Your assistance will be greatly appreciated.

Sincerely,

Douglas Kalembo.
